UNCLAIMED FIRE

STEFANO JEFF BLUES

*A love never fully lived can burn more
than one that was lost*

Unclaimed Fire is about desire that finds no home, an attraction that touches the skin but never fate.

Twelve chapters of a held-back passion, intense and impossible to forget.

INTRODUCTION TO THE STORY

He truly meets her only once. From that moment he lives suspended between what happened and what could have happened.

01 VELVET EYES

He finds a refuge in her eyes. They do not know each other yet, but something in him has already stopped belonging to him.

02 CLOSER THAN TOUCH

A few meetings are enough. Close enough to feel each other, too far to truly touch.

03 MIDNIGHT CHEMISTRY

Between glances and silences a tension is born that neither names, but both breathe.

04 SAY MY NAME SLOWLY

One evening she says his name. For him those words become the sweetest sentence.

05 BURNING DISTANCE

The distance grows. The more he tries to forget her, the more desire becomes presence.

06 THE SHAPE OF YOUR ABSENCE

She keeps filling every space, even when she is not there. Absence takes her shape.

07 UNWRITTEN SKIN

He imagines caresses never given and kisses never received. A story that lives only in the mind.

08 IF ONLY ONCE

He dreams of a single night together. Not to possess her, but to know how it would have been.

09 GRAVITY OF DESIRE

He understands this is no light love. It is a force that pulls him even against his will.

10 ALMOST LOVERS

They find each other again. Close as lovers, distant as strangers. The moment passes.

11 ASHES OF MAYBE

Only questions remain. Everything that could have begun turns to ashes and missed possibilities.

12 UNCLAIMED FIRE

He accepts that this love will never be his. But the fire she lit will go on lighting his life.

Unclaimed Fire is about desire that finds no fulfilment and, for that very reason, becomes eternal.

Not all loves are born to be lived: some exist to transform us, teaching us that even what we never had can change us forever.

I never held you in my arms, and yet no
one has left the same mark on me as you.
